

## **Short-term changes to Delivery Days by Post Code**

The information contained within the pdf document Delivery Days by Post Code is provided in good faith as a guide to the delivery service offered by Nagel Langdons within the UK.

However, the Covid-19 situation continues to evolve and affect different parts of the country in different ways. This may include the imposition of additional movement restrictions on a local or regional basis. Other factors, for instance any increase in the requirement for our employees to self-isolate, may have an impact on short-term staffing levels.

We have a reduced fleet on the road since the onset of the pandemic and it may be the case that we are not covering some postcode areas as frequently as previously. Non-retail deliveries at weekends, especially, cannot be guaranteed.

As the trading situation develops, we will seek to make all necessary adjustments to ensure continuity of service. However, there may be a need to implement short- to medium-term adjustments to the delivery schedule which may *not* be reflected in the Delivery Days by Post Code schedule. In case of query, please contact your local Customer Services office or Sales Team representative.
